LOST LANGUAGE Version: 0.3.4a LOST LANGUAGE was born and raised in the small town of South Park in Minnesota. A handful of settlers arrived in the region in the mid-1880's and tried to establish a colony, only to find the prairie lands their settlement was on to be infested with hungry, aggressive, vicious, and highly intelligent creatures. Soon they realized that the best course of action was to just leave. Nobody knows for sure, but we think that an agreement was made between the settlers
